By agreement, faculty members may be assigned to teach one or more courses, not to exceed eight (8) contact/credit hours in any one semester, at a college in the Community College System other than the “home” college. If, on any day, the faculty member’s total travel obligation exceeds the normal round-trip commuting distance between that faculty member’s home and the “home” college, the difference in mileage shall be reimbursed to the faculty member pursuant to State travel regulations.
